Thank You to Our Student Teachers

A big thank you to our two third-year student teachers Zara and Michael for all the learning, enthusiasm and fun you have brought to our classrooms this year.
We have loved having you as a special part of our St Brigid's School community and have enjoyed watching you grow in confidence and develop your teaching skills.
We wish you both every success as you continue your teaching careers. We know you will make a wonderful teachers.
Thank you for being part of our St Brigid's whānau — you are always welcome here!

Non Uniform Day – September 24th!

Non uniform day- bring a toiletry item or small gift for us to use as a prize at our Christmas market.

Some examples of what you might choose to donate: Soaps, Hand lotions, Body wash, Face mask, Bath bomb, any pamper treat

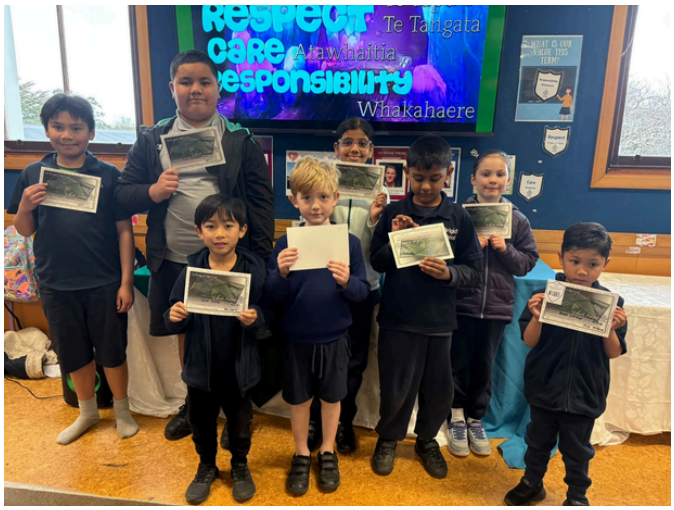

We will do two chocolate non uniform days in Term 4.

Celebrating Achievement

Season of Creation 2026 – Living Water

This year, during Season of Creation, we are focusing on Living Water and the important gift water is to all of God's creation.
Water gives life. It helps us grow, keeps us healthy, nourishes our gardens and provides a home for many living things. Water also reminds us of God's love and grace, especially through the gift of Baptism.
As a school, we are learning to care for water and use it wisely. We are reminded that clean, safe water is a precious gift that should be cared for and shared fairly with everyone.
Our students are encouraged to think about simple ways they can help protect water each day — turning off taps, avoiding waste and caring for our rivers, streams, wetlands and oceans.
Lord of Life, help us to be responsible guardians of your gift of water and to care for all of creation. Amen.

Congratulations! Ailbe on your Cross Country Sucess!

Enviro Schools

Earlier this year, we had a visit from Jennie from DCC with the Bumble Bee Colony. This inspired Elizabeth, one of our Environmental Leaders, to start a wildflower garden at school to attract more bees and pollinators and add colour to our garden.

Last week, we were lucky to have a visit from the Bumble Bee Trust, who came along to see our garden and donated some wildflower plants to help us get started.

Elizabeth was away, but our other Environmental Leaders and Room 2 enjoyed learning more from the Bumble Bee Trust team. We are now excited to get our wildflower garden up and running and create a special space to support our busy bees!

We are proud of our Environmental Leaders for taking the initiative and turning a great idea into action. We look forward to watching our garden grow, welcoming more bees and pollinators, and seeing our school grounds come alive with colour. We can't wait to share the progress of our little bee-friendly garden with you!
